“ Muhlenberg prepared me well by providing many work opportunities. In one day alone I could go from a shift in Admissions to the box office, then house manage a show before returning home as a resident liaison for 60 student residents. Not only did I learn to be flexible and adapt, which has been valuable working in international marketing for the world's largest music company, but I fostered connections with multiple mentors who remain a very important part of my life. ”

Muhlenberg College opens doors to powerful outcomes.

Not only will you graduate with the skills sought by top employers and graduate programs, you'll also join an active Muhlenberg alumni network that will connect you with new opportunities.

Muhlenberg's Career Center supports the career development and professional growth of all students and alumni. From exploring careers and connecting to industry professionals to applying and securing internships and jobs, The Career Center is available every step of the way. The Career Center offers a variety of services and programs. Here are few offerings to note:

- Individual career coaching
- Industry Career Road Trips to NYC, Philadelphia, and Washington D.C.
- Annual Career Expo at Muhlenberg
- TheMuhlenbergNetwork.com – A community of more than 1,800 alumni willing to help students in their careers
- Muhlenberg Shadow Program
- Handshake – job and internship postings
- Spring Alumni Week – Featuring alumni speakers from industry in classes
- Career workshops on resumes, LinkedIn, interviewing, salary negotiation and more
- Career and job search resources and guides

Students are encouraged to begin using the Career Center as early as their first year. The Career Center also offers lifelong services and works with many alumni to help them achieve their career goals.

Note: The following represents the outcomes for our Class of 2016 graduates. More than 90% of the Class of 2016 participated in this voluntary survey.

“ Muhlenberg taught me to think on my feet, helping me construct a framework for learning that many of my medical school classmates lacked. Opportunities to interact with diverse populations, such as study abroad, made me better equipped to understand and treat my patients. ”

- Spencer M. Bigelow '16, Biology Major
Thomas Jefferson University, Kimmel Medical College
