I would rate this workshop overall	6.4

*Note: Means were calculated on a 7-point Likert scale

Summary of Tutor Comments:

First, the majority of students indicated that they found the instruction about the online links compiled by the LLC useful. In addition, they were excited to learn about the keyboard activation guides and indicated in their responses that the materials are particularly useful in complementing their work with their tutees. Then, they indicated interest in using the International Dish TV available at the LLC. Next, they found important learning about the desktop language folders in the LLC. Finally, they were appreciative of the staff's guidance of online access to textbook materials they use with their language students. In conclusion, language tutors enjoyed the workshop and found it useful for preparing language learning materials for their tutees.
